HOW DO WE ENSURE THAT THE ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure we provide advice that is suitable for your needs and financial circumstances, we need to understand your financial situation, personal financial objectives and needs. We will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting, we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your personal financial situation, financial objectives and needs as to the matter you are seeking advice on. If you do not wish to provide the information we require, we will inform you on the possible consequences of not disclosing information and the impact that incomplete information may have on our recommendations. This may include not being able to provide advice on the subject matter you have requested.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) Where required, we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, a RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which may influence the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to invest in that product.
- 5.) We will discuss our recommendations with you, make any changes you require and obtain your sign off to implement our recommendations.
- 6.) We will then implement the recommendations.
- 7.) If you have agreed to an ongoing advice service arrangement which includes a regular review component, we will meet with you periodically to review your financial circumstances and strategy. If you have agreed to an ongoing advice service arrangement, you will be asked to complete a Terms of Business Agreement..

Your ongoing fee arrangement will be renewed annually.

We will also explain to you any significant risks of the recommended financial products and strategies. If you are unclear of the risks, please do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice using a SoA or RoA, as outlined above. These circumstances may include:

- 1.) When we are acting under a managed discretionary account service under our Private Funds Management Agreement, which allows us to manage investments on your behalf.
- 2.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We are happy to provide you with a copy of the RoA upon request (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where we conduct a further review and personal advice is provided, in some circumstances we are not required to provide you with a SoA. Where this is the case, we prepare a RoA for our records. If you have not already been provided with a RoA, you may request a copy of the RoA from us.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone or email using any of the contact details set out in Section 4 of this Guide.
